Wounded Children, Healing Homes: How Traumatized Children Impact Adoptive and Foster Families

By: Jayne Schooler, Betsy Keefer Smalley, and Timothy Callahan

Why doesn't our child return our love? What are we failing to understand? What are we failing to do? These questions can fill the minds of adoptive parents caring for wounded, traumatized children. Families often enter into this experience with high expectations for their child and for themselves but are broadsided by shattered assumptions. This book addresses the reality of those unmet expectations and offers validation and solutions for the challenges of parenting deeply traumatized and emotionally

Summer Kick Off, PARC Style

Orchards Children's Services, Post Adoption Resource Center (PARC) hosted our annual Summer Kick Off on Saturday June 11th, with a day of Bar BE Q-ing, Fishing, Swimming and fun at Island Lake State Park, Brighton.

We would like to thank the Department of Natural Resources for hosting a great Young Explorers Club. Our friends at the DNR were able to teach children how to line a reel, hook a worm and catch a fish! Aside from learning to fish, kids and parents were able to learn about our natural wildlife here in Metro Detroit. Drive 35 minutes outside the Motor City and we were in a natural oasis of wildlife, we found ourselves surrounded by the lake, trees, endless bike and walking trails and greenery everywhere!

Aside from fishing and learning about wildlife, families were able to relax in the hot summer sun. The beach provided a great escape from the summer heat and the hot grill which didn't stop grilling for four hours! A big thank you to our PARC Staff for grilling up Hot Dogs and Burgers all day!

The day was great, filled with the shining sun, family bonding and laughter from all.

At Orchards, we encourage our families to participate in family bonding outside of our hosted events. To ensure this is possible, we were able to provide all of our families who did not already have one a 1 year recreation pass to all Michigan State Parks. We hope all families have a safe and happy summer. We look forward to seeing you all next year! Check out the link below or call 517-284-7275 to locate a Michigan State Park near you.
